Changing Lives One **Smile** at a Time

Changing Lives One **Smile** at a Time

- In developing countries, **one child in 500 suffers from a facial deformity.**
- These **children struggle to speak and eat, and are outcasts.** Sometimes they are abandoned by their own family.
- A **surgery that can take as little as 45 minutes and \$240** can transform these young lives.
- **Top Surgeons and medical professionals volunteer their time,** working in 26 countries around the world.
- Operation Smile provides **completely FREE surgery and follow-up medical** care for every child.
