Camp**

### **FIND INSPIRATION THROUGH EDUCATION**

Campers will spend a week at the Anthony L. & Hideko S. Burgess Interactive Learning Center (ILC) at Operation Smile and explore global medicine, make cultural connections, and embrace the power of service. This camp is for rising 7th and 8th graders, with Camp Mentor spots available for high schoolers.

The Anthony L & Hideko S. Burgess Interactive Learning Center (ILC) is excited to launch The ILC Young Scholars Program through a first-ever and **free** Summer Camp experience at Operation Smile!

Operation Smile's Anthony L. and Hideko S. Burgess Interactive Learning Center invites students to join us for a journey through The World of Medicine. Students will learn the vision of Operation Smile by exploring five areas: Culture, Empathy, Service, Medicine, and Empowerment.

Students will work in groups to learn about helping Operation Smile patients affected by cleft conditions to get the care they need in a week long project. Those who attend our summer camp will learn about the power of service, completing service projects for the community- For example, packing the donation "Smile Bags" Operation Smile patients receive after surgery. Through expert interactive presentations and fun field trips, students will learn basic first aid and suture techniques and take part in an Operating Room exploration. They will conclude their week with an empowering "How to be a Changemaker" presentation, displaying how they can impact the world.

**IMPORTANT APPLICATION INFORMATION:** The World of Medicine will be offered through four separate week long Camp sessions this summer. Students must complete an application to be considered for the program. Each week has spots open to rising 7th and 8th grade students. We also have an exciting opportunity for High School students to mentor our Campers. Meals are provided for all students and transportation assistance may be provided upon request. Please email [ILC@operationsmile.org](mailto:ILC@operationsmile.org) for more information.

**Apply to participate in one of four week long sessions offered this summer:**

**Session 1:** July 25<sup>th</sup>-July 29<sup>th</sup>
